Important Legal Stuff

I am at least 21 years of age and understand that running on public roads and drinking alcohol are inherently dangerous activities, especially if done at the same time. I enjoy "hashing" and would be doing these things somewhere else if not here. I hereby waive any and all potential claims against the event's organizers. I agree to hold harmless all members of the Pikes Peak Hash House Harriers and all participants in the 2007 CoTex Hash for any negative consequences I experience as a result of my participation in this event, and I agree that my issue, heirs, executors and assigns shall also be bound by this agreement. I recognize that the use of alcohol may impair the judgment of others associated with this event, and agree to take responsibility for my own safety.

In summary: "I will be responsible for my own safety. If I get hurt, it's my own damn fault and I'm not going to sue anyone."
